

Delivery Pods

Get successful outcomes quickly with a dedicated UX research, content and design team

Many organizations have limits on the resources and headcount required to truly uncover and solve experience problems that lead to product churn. Procure a multi-faceted team much quicker and with better results than you can recruit in house, without the risk or long-term commitment.

THIS SERVICE HELPS TO...

Get things done through an autonomous team

Increase success by moving beyond your team's internal biases

Hit the ground running by leveraging proven teams and processes

WHAT YOU GET

UX work executed to the highest standards by our specialized team members. Specifically:

- ✓ A team ready to hit the ground running on your cadence and integrated into your ecosystem
- ✓ A team that is fully dedicated to your organization and that works to your timeline
- ✓ Out of the box thinking that elevates your initiative and provides fresh insights
- ✓ Increased design maturity within your organization

Delivery Pods

HOW WE DO IT

1 We help you understand, uncover, and articulate your goals and desired outcomes.

2 Provision your team with the specific skills and specializations you need.

3 Ramp up your design pod through our 2-week onboarding process.

4 Your embedded team works iteratively with you to meet your objectives.

5 We ensure success through feedback and regular touch points with Akendi leadership.

About Akendi

Akendi is a human experience design firm with 16+ years of successful collaborations, leveraging equal parts research-led analysis and inspired creative design. Our multi-disciplinary team of 15+ specialists help your organisation to deliver exceptional experiences and provide strategic insights to put you a step ahead of the competition.

Our Services

We ideate, strategize, research, design, test and construct all aspects of the customer and user experience, ensuring intentional experiences that meet citizen, customer and user needs. Every time.
