

Team Enhancement

Reach your goals by augmenting your team with additional UX skill sets

If you have an existing team and need more capacity, Akendi's proven user experience experts can provide a broad range of skill sets you may not have access to full-time. We help you deliver outcomes that create the best possible experiences as you scale.

THIS SERVICE HELPS TO...

Increase the output and velocity of existing teams

Increase your team's UX maturity

Deliver excellence by embedding Experience Thinking in your organisation

WHAT YOU GET

Increased capacity for UX projects, delivered to the highest standards. Specifically:

- ✓ Access to experienced UX research, content strategy, and design talent with the skills needed to fill gaps at any level
- ✓ Ongoing guidance, training, and support from the founders of Experience Thinking™
- ✓ A well-proven UX approach tailored to the specific processes of your organization
- ✓ An accelerated path to a high-performing UX team

Team Enhancement

HOW WE DO IT

- 1** We learn about your needs and propose the resources required to enhance your team and show immediate value.
- 2** Embedded team members ramp up through our 2 week onboarding process.
- 3** The embedded team works iteratively with you to meet your objectives.
- 4** Your team receives coaching, leadership, and learns best practices from our experts.
- 5** Success is ensured through feedback and regular touch points with Akendi's leadership team.

About Akendi

Akendi is a human experience design firm with 16+ years of successful collaborations, leveraging equal parts research-led analysis and inspired creative design. Our multi-disciplinary team of 15+ specialists help your organisation to deliver exceptional experiences and provide strategic insights to put you a step ahead of the competition.

Our Services

We ideate, strategize, research, design, test and construct all aspects of the customer and user experience, ensuring intentional experiences that meet citizen, customer and user needs. Every time.
