

UX Staff Augmentation

Augment your UX projects with experienced minds while growing your team

Many organizations have a higher demand for UX work than their team can handle. Akendi UX staff augmentation compliments your team's research and design capabilities when it's needed most. We help you expand your delivery capacity and create the best possible experiences while you recalibrate your needs.

THIS SERVICE HELPS TO...

Provide UX resources who hit the ground running

Add a broad range of skill sets to support your needs

Expand and grow your in-house capabilities

WHAT YOU GET

UX work executed to the highest standards by our UX team members. Specifically:

- ✓ Instant access to experienced UX professionals with all the skills needed to add to your team
- ✓ On the job coaching, guidance, and support from leaders in the field
- ✓ Flexible integration into your existing teams
- ✓ Fast, focused strategy and execution to your roadmap

UX Staff Augmentation

HOW WE DO IT

- 1 We guide you in choosing the best strategy, research, content, and design talent to support your goals.
- 2 We introduce and integrate individuals into your organization, adapting to your organization needs.
- 3 Our staff deliver outcomes to your project plan following your processes and structures.

- 4 We provide expertise following UX design and Experience Thinking best practices.
- 5 We ensure success through feedback and regular touch points with Akendi leadership.

About Akendi

Akendi is a human experience design firm with 16+ years of successful collaborations, leveraging equal parts research-led analysis and inspired creative design. Our multi-disciplinary team of 15+ specialists help your organisation to deliver exceptional experiences and provide strategic insights to put you a step ahead of the competition.

Our Services

We ideate, strategize, research, design, test and construct all aspects of the customer and user experience, ensuring intentional experiences that meet citizen, customer and user needs. Every time.
